TERMS & CONDITIONS

Payment Terms

Bodiku retreats are highly personalised which necessitates a limited attendance per program. Places are limited to a maximum of 4 participants.

A 50% deposit is required to secure your retreat reservation. Our team will do our best to secure your preferred dates, however please be aware that placement is granted on a first come, first served basis.

The due date for your deposit payment is 7-days after we receive notification of your participation. The balance payment is due no later than 60-days prior to your retreat starting date.

Reservations made within 60-days of a retreat starting date require the total amount to be paid. Any associated banking fees are at the expense of the payee.

Cancellation and Refunds

Retreat prices are dependent on the number of participants attending. For this reason, once a deposit payment is received, Bodiku cannot offer any refunds due to cancellations for any reason. This includes cancellations due to issues with health, transportation or force majeure.

As an alternative, your retreat attendance is transferable and we welcome you to pass the experience along to friends or family.

To eliminate any risk exposure, we highly recommend that each retreat attendee obtain travel insurance to facilitate any necessity for refunds.

IMPORTANT NOTIFICATIONS

Bodiku's Holistic Wellness Retreat is a 5-day experience commencing on a Thursday at 3pm and concluding the following Monday at 4pm. Throughout the week we will be sharing with you a curated mix of exhilarating movement practices, blissful recovery treatments, a day of adventure and moments to unwind, in quiet solitude or together with your closest companions.

Arrival

It is important that you arrange your flights to accommodate the proposed arrival times illustrated on the retreat agenda. Late attendance, for any reason, will unfortunately warrant less inclusions in your retreat agenda without refund. For this reason, it is recommended that all participants arrange travel insurance prior to their departure.

Departure

After checkout, you have a choice of immersing yourself into the unforgettable ambience of a Thalassotherapy experience - the therapeutic use of seawater and marine products to promote health, wellness and beauty, or to spend the afternoon shopping and exploring. It will be our pleasure to accommodate you with a personal driver. We welcome you to utilise his services prior to heading to your next accommodation venue or to the airport.
